Protect Your Investment

Your home is your castle, which is why, while you won't have to defend it against fire-breathing dragons, you do need to protect your house or condo from the likelihood of more typical home scenario disasters by buying the right home insurance coverage.

Green Cleaning Tip: A Greener Cleaner!

Stay Connected to Your Priorities

Cutting the cord often refers to the practice of canceling cable TV subscriptions and replacing them with low-cost Internet video streaming subscription services or other free video platforms. Because of that and the widespread reliance on smartphones, good wireless coverage has now rocketed to the top of the list of necessities for home-hunters.

The Psychology of Clean

Does mess equal stress? An article in Psychology Today says "yes!" But the good news is, clutter is one of the easiest life stressors to fix.

Weed Away!

In our quest for a perfect, green lawn that more resembles AstroTurf than anything Mother Nature could create, we may find ourselves blasting gallons of weed killer onto our lawns throughout the summer. Instead of filling our lawns — and our lungs — with noxious chemicals, give these natural weed-eliminating methods a chance.
