Article Summary - Condo Version (US) Volume 13, Issue 10 (October 2017)

PAGE 1

Tide Retreats on Underwater Properties

A study by ATTOM Data Solutions* earlier this year confirmed that the overall number of U.S. homes considered “seriously underwater” is lessening compared to the same period one year prior, marking a positive trend in the marketplace.

Terminology Tip: Closing Costs

PAGE 2

What’s Lurking in Your Home?

It’s not just Halloween that brings out scary things around the home; check out these everyday, frighteningly germey hiding spots!

Household Tip: Keep Your Cool

PAGE 3

Contracting a Happy Relationship

Even the handiest homeowners will find themselves requiring the services of a service professional or contractor at some point when planning a home renovation. Here are some tips to keep your contractor happy, and therefore make for a smoother experience for the both of you!

The ABCs of Real Estate

Let’s unravel some acronyms for the following common real estate terms: the MLS®, FSBO, DOM and CMA.

Monthly Musing

PAGE 4

Invite Summer In!

Even though it’s now time to start packing up your patio garden, there’s still time to capture part of its summery ambiance to enjoy throughout the winter, by transporting a selection of your outdoor plants off your balcony and into the great indoors.

RECIPE OPTION: Replace article on page 4 with this month’s recipe for Pumpkin Curry with Chickpeas.
